Coordinator:	Dr Neomy Storch and Dr Celia Thompson
Subject Overview:	This subject aims to develop the advanced language required for successful postgraduate study in English. In this subject students will develop critical approaches to researching, reading and writing. They will also develop the ability to plan and present confidently on a research topic and to write a literature review fluently and accurately. Particular attention is paid to grammatical and stylistic aspects of written and spoken academic discourse. Students write and present on a research topic that is relevant to their field of study. This subject is divided into engineering and general streams.
Assessment:	A 300-500 word summary 10% (due week 4), a 1000 word critical review 20% (due mid semester), a 2500 word literature review 40% (due end of semester) and a seminar presentation of 7-10 minutes 30% (given in week 11).
Prescribed Texts:	None
Recommended Texts:	A reading pack is available
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
