Subject Overview:	The subject aims to further develop students' ability to undertake independent research within a structured lecture program that addresses theoretical, philosophical and professional practice issues in contemporary visual media. Experimental Projects extends the previous experience in visual media through a program supervised by staff but largely initiated by each student on the basis of their individual conceptual, material, theoretical and aesthetic interests. The subject addresses professional practice issues in visual media. Gallery visits, guest lectures, screenings, excursions and exhibitions are included in the program.
Assessment:	A visual/written research proposal equivalent to 500 words 25% (due mid-semester), an essay 1000 words 25% and practical projects 50% equivalent to 2500 words (due at the end of semester). A hurdle requirement of a minimum 80% attendance.
