Duration & Credit Points:																					
Contact:	Student and Academic ServicesFaculty of the Victorian College of the Arts234 St Kilda Road, Southbank, 3006Tel: 9685 9419																				
Course Overview:	The Master of Film and Television (by research) allows students to build on their capacity for independent investigation, and their creative and technical skills in Film & Television. This degree is assessed by a major research project and a complementary dissertation. The course can be undertaken 2 years full time or 4 years part time. Students will focus on developing an original independent research project which will be produced in an appropriate form such as a script or a film. The major project will be supported by a research paper. The Masters degree is undertaken over two years full time or four years part time.																				
Objectives:	On completion of this course students should have: <ul style="list-style-type: none"># advanced their capacity for independent investigation in the field of screenwriting and/or direction;# extended their creative abilities and technical skills;# acquired the capacity to create a significant innovative project in a chosen area, eg, scriptwriting, and# advanced their ability to contribute to the broad culture of society.
