Coordinator:	Mr John Quay
Subject Overview:	<p>This subject is focused on extending the work you did in HPE 1 associated with childcare and kindergarten to the primary school setting. There are two main features of this subject: (1) Teaching physical education in the primary school, and (2) Health as an issue in primary schools.</p> <p>Each of these features is central to a comprehensive approach to health and physical education in the primary school. This subject takes a hands-on approach to these areas, one that involves students in the teaching of physical education in a primary school, and the research and presentation of material focused on the health promoting school.</p>
