Overview:	The Diploma in Languages provides students with the opportunity to gain a Diploma in Chinese language while completing an undergraduate degree at the University of Melbourne.																																										
Objectives:	See course objectives.																																										
Structure & Available Subjects:	<b>Students with a Chinese-speaking background</b> Two different levels are available to students who are from a Chinese-speaking background: <ul style="list-style-type: none"><li>• minimal literacy</li><li>• limited literacy</li></ul> Placement in one of these levels depends on a number of factors, such as spoken competence in Mandarin or a Chinese dialect and ability to read and write Chinese characters.
