Coordinator:	Dr Marnee Watkins
Contact:	Education Student Centre
Subject Overview:	Students will study arts education theories and policies and examine current arts teaching practices. Seminars will focus on learning and assessment in the arts and current methodological issues. Students will undertake advanced arts practice within their selected arts form (music, drama or visual arts) designed to extend their knowledge and skills of their selected arts disciplines. They will engage in a range of arts projects in school and community settings involving the design, implementation and assessment of primary arts curriculum appropriate to particular contexts.
Objectives:	Information not available
Assessment:	Written work, visual arts folio and/or performance project equivalent to 4000 words.
