Coordinator:	Dr Lawrie Drysdale
Contact:	Education Student Centre
Subject Overview:	The subject examines the approach to staff assessment, selection and development using assessment centre methodology. Students learn the competencies necessary to become trained assessors in an assessment centre, and to apply these skills in that setting. The subject also examines skill dimensions for effective educational leadership and management, and the assessment centre process as a means of measuring these skills. Students learn and examine multiple assessment techniques and activities for measuring management and leadership behaviour and evaluating performance. Knowledge of feedback skills and the development of growth plans are also considered.
Objectives:	Not available
Assessment:	Two papers of 4,000 words (50 per cent), or one paper of 8,000 words (100 per cent), or equivalent portfolio of writing or reports (100 per cent).
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
