Subject Overview:	This subject teaches the craft of writing hard and soft news stories for newspapers and newspaper supplements and magazines. With an emphasis on news writing, students learn what news is and how (and why) news priorities and story treatment may differ between print, broadcast and online. The subject also looks at how traditional news writing differs from other forms of journalistic writing such as blogs or opinion/comment pieces. Students learn how accuracy, as well as clear and concise language, is vital to all kinds of journalistic writing as well as the critical differences between creative writing, public relations writing (PR) and journalistic writing. The subject introduces the core skill of interviewing with students provided with ample opportunity to put into practice what is covered in both lectures and classes. The subject also looks at professional codes of ethics and editorial policies. On completion of this subject students should have a strong grasp of current journalistic practices and required skills.
Objectives:	Students who complete this subject will: # understand and work to professional codes of ethics; # have a strong grasp of current journalistic practices and required skills; # understand the nature of editorial policies; # how a fundamental understanding of current media law and how it directly impacts on journalists.
Assessment:	Two hard new stories, 500 words each (40%) due in first half of semester; two soft new stories, 500 words each (30%) due later in the semester; a report, 1500 words (20%) due at the end of semester and current affairs tests, equivalent to 500 words (10%) done throughout the semester. Students must attend at least 80% of classes to be eligible for assessment.
Prescribed Texts:	A subject reader will be available.
