Subject Overview:	This subject further deepens teacher candidates' professional knowledge about early childhood services. Teacher candidates refine and reflect on their professional practice and take responsibility for planning, implementing and evaluating an education and care program for preschool children. Professional practice seminars continue to support learning with special attention being paid to developing innovative curricula that addresses the needs of individual children and encourages their growth in an environment that embraces ethical practices and democratic processes. Seminars will involve presentations, assessment tasks and in-depth reflection on theory and practice in early childhood.								
Objectives:	On completion of this subject students should be able to: <ul style="list-style-type: none"><li># Apply professional criteria to their own teaching and professional activity;</li><li># Synthesise their theoretical and practical understandings of teaching in early childhood contexts;</li><li># Use constructive criticism and discussion to evaluate and reflect on values and practices in relation to professional practice;</li><li># Communicate effectively with other professionals, parents and children;</li><li># Promote the profession of teaching in the wider community.</li></ul>								
Assessment:	There are 2 assessment tasks: Satisfactory teaching performance in the block placement setting (65%)Practicum Essay amd Exhibition, half-hour presentation drawn from a 2,000 word essay task showing how the teacher candidate has developed their teaching ability in a specified manner (35%) Hurdle requirements: Attendance on all days of placement Attendance at all practicum seminar sessions.
