<b>Subject Overview:</b>	This subject is built upon the premise that, in order to lead others, you must first know yourself. It positions 'emotional preparedness' as a key foundation to school leadership and will provide emphasis on reflective practice. The subject will explore, and apply, the core principals of Positive Psychology and Authentic Leadership and Human leadership. Students will be equipped with academic skills training and will learn how to critically evaluate educational leadership research.
<b>Objectives:</b>	On completion of this subject, students will: <ul style="list-style-type: none"> <li>• Understand the key principles in self awareness and positive psychology</li> <li>• Critically evaluate empirical research within the discipline of school leadership</li> <li>• Develop their interpersonal skills and class presentation skills.</li> <li>• Complete regular reflective journal submissions that demonstrate an application of leadership theory to personal growth and professional practice</li> </ul>
<b>Assessment:</b>	There are 2 categories of assignments totalling 8000 words• 3 reflective assignments x 2000 words (80%) Due weeks 4, 8 and 10• Providing comment on other's people reflections (2000 words, pass-fail 20%) Due weeks 5, 9 and 11
