FOOD90011 Food Biotechnology

| Credit Points: | 12.50 |
|--|--|
| Level: | 9 (Graduate/Postgraduate) |
| Dates & Locations: | 2012, Parkville |
| | This subject commences in the following study period/s: Semester 1, Parkville - Taught on campus. |
| Time Commitment: | Contact Hours: 48 hours of lectures Total Time Commitment: Estimated total time commitment (including non-contact time): 120 hours. |
| Prerequisites: | Eligibility for honours or postgraduate coursework program. |
| Corequisites: | None |
| Recommended Background Knowledge: | Chemistry and/or biology or equivalent background |
| Non Allowed Subjects: | None |
| Core Participation Requirements: | For the purposes of considering request for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this subject are articulated in the Subject Description, Subject Objectives, Generic Skills and Assessment Requirements of this entry. The University is dedicated to provide support to those with special requirements. Further details on the disability support scheme can be found at the Disability Liaison Unit website: http:// www.services.unimelb.edu.au/disability/ |
| Coordinator: | Dr David Tribe |
