Overview:	<p>The DL provides students with the opportunity to gain a Diploma in language study while completing an undergraduate degree at the University of Melbourne.</p> <p>German</p> <p>German has more than 100 million native speakers and is the third most popular foreign language world-wide. A knowledge of German opens up the rich culture of German-speaking Europe as well as its history, philosophy, literature, music and scientific traditions. The German Studies Program has a proud history of more than half a century at the University of Melbourne and provides students with the opportunity to complete part of their studies overseas through scholarships and exchange programs.</p> <p>German language subjects are organised in a progressive sequence of units from German 1 through to German 10 (German 1-5 available from 2012, German 6-8 from 2013 and German 9-10 from 2014). Students may enter at any point, subject to placement testing and/or prerequisites, and normally progress through the sequence in consecutive order. Accelerated progression is possible with the permission of the course convenor. Mid-year entry is also possible into subjects with even numbers.</p>									
Objectives:	<i>See course objectives.</i>									
Structure & Available Subjects:	<p>The Diploma consists of a three-year sequence of first-, second- and third-year language study and may add up to one year to the duration of the student's degree course. <i>See the Diploma course structure for details.</i></p> <p>German</p> <p>A 100-point diploma sequence is available.
