<b>Subject Overview:</b>	<p>This subject is to be undertaken by qualified teachers and consists of 23 days practicum placement. This practicum has been divided into two components.</p> <ul style="list-style-type: none"> <li># The first component is a 20-day placement in an approved early intervention, special education or inclusive setting. The student will have the opportunity to observe and participate in classroom practice; to attend program planning/case management meetings; and to develop an individualised plan for a child/student with a challenging behaviour.</li> <li># The second component consists of 9 x 2 hour professional enhancement workshops throughout the Semester. These workshops are designed to support and prepare the student for the professional practice.</li> </ul> <p>100% attendance is mandatory in this subject.</p>
<b>Objectives:</b>	<p>On completion of this subject, students should be able to:</p> <ul style="list-style-type: none"> <li># Demonstrate an ability to apply and implement the theoretical constructs in the course to the assessment, planning, implementation of learning and teaching programs for preschoolers and students who have a disability;</li> <li># Articulate information about children to team members;</li> <li># Demonstrate cultural sensitivity and understanding when interacting with parents;</li> <li># Have the ability to assess children/students' behaviour using formal/informal assessment tools;</li> <li># Have an ability to interpret the information obtained from the assessment, which will inform intervention;</li> <li># Have an increased ability to articulate the assessment results and intervention plan in a written and verbal manner.</li> </ul>

<b>Assessment:</b>	There are two assessment components: Satisfactory completion of 20 days supervised teaching a setting and 9 x 2 hours of professional enhancement workshop (50%) Assignments equivalent to 2,500 words (50%) due throughout the semester.
<b>Prescribed Texts:</b>	None
<b>Breadth Options:</b>	This subject is not available as a breadth subject.
<b>Fees Information:</b>	Subject EFTSL, Level, Discipline & Census Date, <a href="http://enrolment.unimelb.edu.au/fees">http://enrolment.unimelb.edu.au/fees</a>
<b>Generic Skills:</b>	On completion of this subject, students should be able to: <ul style="list-style-type: none"><li># Evaluate and apply new knowledge;</li><li># Apply analytical and critical thinking skills in relation to intervention;</li><li># Improve their capacity and skills to review teaching practices and program planning;</li><li># Clearly communicate ideas and observations to professionals;</li><li># Apply principles of leadership and collaboration when working with support groups of the family or student.</li></ul>
