<b>Subject Overview:</b>	<p>The advanced subject Taxation of Small and Medium Enterprises (SMEs) is co-taught by leading practitioners with many years of experience in tax advice for the Australian SME sector. They deliver an advanced, commercially essential subject through application of the tax law to topical case studies.</p> <p>Small and medium business enterprises operating through private companies, trusts and partnerships must deal with some of the most complex and challenging rules in the tax system, and face a high tax compliance and planning burden. This subject is aimed at tax professionals in general or those in specialist tax practice advising SMEs, or at government officials working in this sector. It equips participants with an advanced knowledge of tax rules and latest reforms for SMEs, integrating the technical law that participants learn in other subjects, including corporate tax, tax of trusts, capital gains tax and taxation of business and investment income. This subject involves consideration of complex and competing principles from numerous parts of the tax and other laws. It builds on the core content of other subjects, including Taxation of Business and Investment Income, Capital Gains Tax, Corporate Tax A, Taxation of Trusts and State Taxes. As a result, this subject may be best studied towards the end of your Tax course.</p> <p>Principal topics will include:</p>

	<ul style="list-style-type: none"> <li># Income tax and capital gain tax rules applicable to trusts, private companies and partnerships, when establishing a new business, its operation and ultimate sale, winding up or business succession</li> <li># Tax issues for private companies and shareholders, including Div 7A of the <i>Income Tax Assessment Act 1936</i> (Cth)</li> <li># Tax issues relating to remuneration by SMEs and financing of SMEs</li> <li># Tax concessions for SMEs, in particular the capital gains tax small business concessions</li> <li># Trust streaming, trust loss and capital distribution rules affecting SMEs</li> <li># Tax integrity and anti-avoidance rules for SMEs, including trust anti-avoidance rules and personal services income rules</li> <li># Tax planning for SME structuring, asset protection and estate and business succession, incorporating key state and federal tax, asset protection and estate issues</li> <li># Asset planning for SME entities, their owners and high wealth families.</li> </ul>
<b>Objectives:</b>	<p>A student who has successfully completed this subject should:</p> <ul style="list-style-type: none"> <li># Have a detailed knowledge of the tax law applicable to entities used by small and medium enterprises (SMEs), with a particular focus on taxation of trusts, partnerships and unincorporated joint ventures</li> <li># Be confident in advising on the application of tax to the different legal entities used by SMEs</li> <li># Have a good foundation from which to develop further understanding of key planning and structuring issues for SMEs.</li> </ul>
