Course Overview:	<p>This Masters program provides students with a professional qualification in cultural material conservation and it combines both the theory and practice of cultural material conservation. The program will emphasise the philosophical, intellectual, technical and scientific aspects of cultural material conservation, and will draw on the combined expertise of staff of the Centre, the Arts and Science Faculties, and the Ian Potter Museum of Art.</p> <p>The program is aimed at students who wish to undertake specialist training in conservation of cultural material for professional qualification purposes. The program does not necessarily lead to higher degree study, however high achieving students, may qualify for entry to research higher degrees.</p> <p>Mid-year entry to the course is available on a part time basis only. International students should therefore apply for semester 1 entry only.</p> <p>It is strongly recommended that all commencing students have studied chemistry equivalent to 25 points of first year university or else complete the CCMC bridging course (http://www.culturalconservation.unimelb.edu.au/students/courses/bridging-course.html) offered in March, or equivalent - contact Petronella Nel on pnel@unimelb.edu.au (mailto:pnel@unimelb.edu.au) for more details.</p>
