Course Overview:	<p>The Master of Choreography allows you to further develop your knowledge and skills in the area of choreography. The course provides a framework for acquiring skills in choreography, including the capacity for you to further develop your unique creative qualities.</p> <p>The course is designed to contextualise your creative activity within local and global art worlds. It develops your communication abilities and capacity to collaborate with other art forms. It fosters your ability to identify and seek out opportunities for artistic collaboration within communities and develops your capacity to discriminate and make choices at all stages of artistic creation.</p>																	
Learning Outcomes:	<p>The course aims to:</p> <ul style="list-style-type: none"><li># Develop candidates choreographic skills and understanding;</li><li># Develop understanding and use of theoretical frameworks to evaluate and critique dance performance;</li><li># Develop capacity to evaluate, discriminate and make informed choices as part of choreographic practice within aesthetic domains;</li><li># Develop abilities to collaborate in local, national and international contexts;</li><li># Promote the exploration of dance as a communicative mode;</li><li># Explore the potentials of diverse media in choreographic production.</li></ul>
