

300BB Doctor of Education

Year and Campus:	2014 - Parkville
CRICOS Code:	051658B
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Level:	Research Higher Degree
Duration & Credit Points:	Students are expected to complete this research in 3.00 years full time, or equivalent part time. Credit Points: 300
Coordinator:	A/Prof Neryl Jeanneret Associate Dean (Research Training)
Contact:	Education Student Centre 234 Queensberry Street Call: 13 MELB (13 6352)
Course Overview:	The Doctor of Education is an advanced professional doctorate for experienced professionals with educational responsibilities. Carefully designed to parallel their regular work, the course enables experienced educators to carry out advanced academic and professional study which has direct relevance to their professional role. It is undertaken over three years on a full-time basis or six years on a part-time basis.
Learning Outcomes:	Students who have completed the Doctor of Education should have: <ul style="list-style-type: none"> # advanced their knowledge in areas of special significance to their profession; # achieved an advanced level of education and professional development in respect to the operation, design and development of Victorian, Australian and other systems of education; # been involved effectively in a program of study and research directly related to their professional settings and educational responsibilities; # have participated in high level and systematic analysis of practical problems related to education in their profession through the application of appropriate discipline analysis and research methodology in a manner which has strong potential for changing professional practice; # made a contribution to the wider theoretical and/or professional debates in the relevant field of study.
Course Structure & Available Subjects:	<p>The first stage of the program consists of coursework and preparatory studies for the thesis.</p> <p>Full time candidates complete their coursework component in their first year, part time candidates over their first and second years. During their coursework component candidates complete 100 points of coursework subjects:</p> <ul style="list-style-type: none"> # EDUC90620 Reading Educational Research (12.5 points) # EDUC90729 Conducting Educational Research (12.5 points) # 50 points of coursework electives (see below for details) # EDUC90320 Doctoral Research Seminar (12.5 points) # EDUC90319 Doctor of Education Thesis Proposal (12.5 points) <p>When completing the coursework component candidates must undertake the compulsory subjects EDUC90320 and EDUC90319 in the semester immediately prior to the commencement of the thesis (i.e. semester 2 of full-time enrolment, semester 4 of part-time enrolment).</p> <p>Candidates must gain at least an H2A average in the coursework component, including at least an H2A result in EDUC90319 DEd Thesis Proposal, to proceed to the thesis. Students who are not permitted to proceed to thesis but who have completed 100 points of coursework may take out a Master of Education degree if they wish, since they will have met the requirements of the 100-point Master of Education by coursework.</p> <p>The second stage of the program consists of a 55,000 word thesis.</p> <p>Full time students complete this stage in years 2 and 3, part time students over years 3 - 6.</p>

Students must publicly present a research paper in the last six months of their candidature.

Subject Options:

Core subjects

Subject	Study Period Commencement:	Credit Points:
EDUC90620 Reading Educational Research	August, Semester 1	12.50

Subject	Study Period Commencement:	Credit Points:
460705 Doctor of Education Thesis#	Not offered 2014	Not Assigned

Entry Requirements:

An applicant may be eligible for entry into the Doctor of Education if the applicant has:

- # completed a Masters degree or equivalent in the discipline of Education or a cognate field relevant to the proposed area of study, with at least an H2A average over the course;
- # a documented record of at least five full-time equivalent years of professional or teaching experience in a field relevant to the proposed area of study; and
- # evidence of capacity to undertake research. Applicants are normally required to have completed a research project, component, subject or group of subjects that accounts for at least 25% of their work (i.e. Honours year), or 25% of one year accumulated over the length of a Masters course, and which has, or have, been conducted, and assessed, individually. Research carried out in groups should at least have been graded individually. This project, component, or subject(s) may include:
 - (a) any obviously research oriented project, subject or sustained piece of scholarly writing conducted for assessment, such as small theses, research essays, long essays, or studios; AND/OR
 - (b) any less-obviously research subjects, including practice-based subjects such as performance or fieldwork, where there is also scholastic rigor as documented in a sustained piece of writing analogous to (a); AND/OR
 - (c) any subjects directed at the formation of research skills, such as methodology and reasoning, such as scientific reasoning, or legal reasoning, where a sustained piece of writing has also been produced.

Core Participation Requirements:

The Melbourne Graduate School of Education welcomes applications from students with disabilities. It is University and Graduate School policy to take reasonable steps to enable the participation of students with disabilities, and reasonable adjustments will be made to enhance a student's participation in the Graduate School's programs. The core participation requirements for study in the Melbourne Graduate School of Education are: In all courses The ability to comprehend complex information related to education and the disciplines in which the student is teaching. The ability to communicate clearly and independently in assessment tasks

	a knowledge of the content, principles and practices relating to education and other relevant disciplines. Behavioural and social attributes that enable a student to participate in a complex learning environment. Students are required to take responsibility for their own participation and learning. They also contribute to the learning of other students in collaborative learning environments, demonstrating interpersonal skills and an understanding of the needs of other students. Assessment may include the outcomes of tasks completed in collaboration with other students. Students who feel a disability will prevent them from meeting the above academic requirements are encouraged to contact the Disability Liaison Unit.
Graduate Attributes:	The University's general graduate attributes are located on the Office of the Provost's website: www.unimelb.edu.au/about/attributes.html
