Subject Overview:	Languages of the Screen 2 advances students' study of current motion picture and television industry practices and concepts. Lectures, workshops and seminars further develop students' knowledge of the practical and theoretical grammar of the screen, and the direction of performance for screen specific practice. Local and visiting industry practitioners discuss current industry practice in a series of guest lectures and Q & As. Students work with professional actors in workshop environments. Student-produced screen work is critically reviewed in this subject, with particular focus on students developing an understanding of screen languages and screen specific performance.											
Learning Outcomes:	On completing this subject students will be able to: <ul style="list-style-type: none"># Demonstrate an enhanced understanding of performance techniques and styles for the screen;# Utilise a broader range of communication skills with particular reference to direction to performers;# Direct actors with greater skill;											

	# Critically and constructively review their own and peers' screen direction work with a growing understanding of cinematic form and its storytelling potential.
Assessment:	Hurdle requirement Students must attend 80% of all scheduled classes and attempt all elements of assessment to be eligible for a pass in this subject. Scene Analysis - written 1000 words (20%); Scene Prep & Breakdown - written 800 words or equivalent (20%); Direction and performance Exercise - 1-2 min edited scene (30%); Directors Self-Assessment Statement - written 800 words (20%); Workshop/class Participation* (10%). *Participation assessed on criteria of engagement, ability to discuss & give/receive feedback and teamwork skills.
Prescribed Texts:	None
