Subject Overview:	<p>This subject introduces the basics of Commercial Music Arranging. Aspects of the craft of commercial arranging including music style, melodic and instrumental variation, and harmonic and rhythmic function will be examined. Commercial Music Arranging Demystified is delivered in two parts: lecture and workshop. Lecture is taught in a large group format and will illuminate the fundamental principles of commercial arranging. Workshop is a practical class forum for the workshop of new arrangements and provides the opportunity for the individual development and showing of work and group discussion of issues related to commercial arranging. During the course students will be required to engage in whole group discussion and to present complete and ongoing arrangements.</p>
