Coordinator:	Mr Frederick Hellriegel
Contact:	<p>Faculty of Science <i>Enquiries</i> Phone: 13 MELB (13 6352) Email: science-academicprograms@unimelb.edu.au (mailto:science-academicprograms@unimelb.edu.au) Subject Coordinator: frederick.hellriegel@unimelb.edu.au (mailto:frederick.hellriegel@unimelb.edu.au)</p>
Subject Overview:	Students enrolled in this subject will be assisted to find a placement in a professional Urban Horticulture (or related field) working environment. They will work for approximately 120 hours under the guidance of a senior staff industry member, with additional support from the subject co-ordinator. A series of workshops will focus on human resource practices and business operations. The placement will enable students to apply, in a practical environment, skills developed in their other coursework units. Students will thus gain direct exposure to professional practice in their chosen field. The internship may be undertaken as a practicum at the student's workplace if appropriate.
Learning Outcomes:	<p>On successful completion students of this subject will have:</p> <ul style="list-style-type: none"> # acquired a knowledge of the conditions, cultures, human resource and business practices of workplaces; # gained practical vocational experience in an industry setting; # applied professional concepts, frameworks and techniques in a vocational setting; # gained significant insight into the complexities of professional decision making; and

	# developed a capacity to critically evaluate their experience and to share their findings through written and oral reports.
Assessment:	1 x 1hr written test based on the content of the first 3 workshops (20%) Mid Semester, 1 x 1hr written test based on the content of the remaining 3 workshops (20%) End Semester, Reflective 2000 word Journal Assignment (60%) due 3 weeks after Internship Placement completion (60%)
Prescribed Texts:	None
