Contact:	March Prof. Janine O'Flynn Email: joflynn@unimelb.edu.au (mailto:joflynn@unimelb.edu.au) August Dr. Scott Brenton Email: sbrenton@unimelb.edu.au (mailto:sbrenton@unimelb.edu.au)
Subject Overview:	This is one of the capstone subjects in the Master of Public Policy and Management and will provide students with the key theoretical and analytical perspectives and debates in public management. This subject examines contemporary issues in public management in Australia and internationally through a range of theoretical and practical perspectives. It explores the nature of public management in a complex public service environment, critically examining the trends in public management reform and examining their underlying ideas and their impact on policy and practice. The subject focuses on the implications of these changes for the design and delivery of public services, the role and functions of public managers and their relations with politicians, non-governmental actors and the public.
Learning Outcomes:	On successful completion of this subject students should: <ul style="list-style-type: none"> # have a thorough knowledge of contemporary theories and methods of public sector management; # have skills in evaluating current challenges, trends, programs and management practices; # have a well-developed critical understanding of the place of public management and public managers in contemporary governance systems, the dilemmas and opportunities both face; # be familiar with issues related to designing public services, delivering public services, managing in public and innovation and change in public services.

Assessment:	March: 1. Plan for Public Management strategy paper of 1000 words (10%) due early April; 2. Case response of 3000 words (30%) due early May; 3. Public Management strategy paper of 6000 words (60%) due during the examination period. August: 1. Plan for Public Management strategy paper of 1000 words (10%) due end of August; 2. Case response of 3000 words (30%) due end September; 3. Public Management strategy paper of 6000 words (60%) due during the examination period. Hurdle Requirement: As this is an Intensively-taught subject, lecture/seminar attendance is compulsory on all 6 days. Regular participation in class is required. Assessment submitted late without an approved extension will be penalised at 10% per working day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	Required readings will be made available electronically via LMS prior to the commencement of the subject's intensive teaching period.
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	On successful completion of this subject students should: <ul style="list-style-type: none"> # be able to demonstrate competence in critical, creative and theoretical thinking through essay writing, seminar discussion and presentations, conceptualising theoretical problems, forming judgments and arguments from conflicting evidence, and by critical analysis. # be able to demonstrate proficiency in the application of public management theory to empirical problems. # be able to demonstrate an understanding of the academic protocols of research and presentation.
