Subject Overview: Principles of Business Law provides an introduction to law from a business perspective. This subject is available as a level 1 breadth subject to students in all faculties. Topics include: the nature and purpose of law; how law develops and changes; how new law is made; how to read and understand legislation and case law; how legally binding agreements (contracts) are created and enforced; property law; liability in tort law for negligence; and the law of agency.
Note 1: Principles of Business Law is a prerequisite for Corporate Law and Taxation Law.
Note 2: This subject is recommended to students in any faculty and in any year of study who would like to study an introductory law subject.
Note 3: This subject is not available to LLB or JD students.

Learning Outcomes: The objectives of this course are to:
# Explain the nature and role of law in society;
# Describe the sources of Australian law;
# Find, interpret and apply case-law and legislation;
# Explain and apply the principles of contract law in business situations;
# Explain and apply the basic principles of property law;
# Explain and apply the basic principles of liability in tort law;
# Explain and apply statutory consumer protection legislation; and
# Explain and apply the law of agency.

**Assessment:**
Two hour-long multiple-choice tests (10% each) in weeks 5 and 9; and 1.5 hour end of semester examination (80%). The due date of the above assessment will be available to enrolled students via the LMS.

**Prescribed Texts:**

**Breadth Options:**
This subject potentially can be taken as a breadth subject component for the following courses:

You should visit [learn more about breadth subjects ([http://breadth.unimelb.edu.au/breadth/info/index.html](http://breadth.unimelb.edu.au/breadth/info/index.html))](http://breadth.unimelb.edu.au/breadth/info/index.html) and read the breadth requirements for your degree, and should discuss your choice with your student adviser, before deciding on your subjects.

**Fees Information:**
Subject EFTSL, Level, Discipline & Census Date, [http://enrolment.unimelb.edu.au/fees](http://enrolment.unimelb.edu.au/fees)

**Generic Skills:**
On completion of the subject, students should have developed the following generic skills:

- The capacity for close reading and analysis of a range of legal source materials;
- The capacity for critical and independent thought and reflection;
- The capacity to solve problems, including through the collection and evaluation of information;
- The capacity to effectively plan and manage time;
- Intercultural sensitivity and understanding.

In addition, on completion of the subject, students should have developed the following skills specific to the discipline of law:

- Ability to find, interpret and apply legal source materials;
- Ability to find and apply legal principles and rules to resolve specific issues.
