Subject Overview:	In Dance Skills 2 students will build on and further develop the skills from first semester. They will be expected to extend these through a program of self-directed daily practice. At the end of the first year of study, students should have developed sound technique in all areas of dance studied and be working at all times in accordance with an awareness of safe dance practice. Students will be expected to progress at a rate that takes into account their entry-level skills and ability and will be streamed accordingly. Classes will cover jazz, tap and technique but move beyond these as necessary. Course content will include technique, flexibility and strength work, corner work and choreography.								
Learning Outcomes:	On completing this subject students will be able to: <ul style="list-style-type: none">• understand the fundamental components of stage movement – space, time, weight/dynamics, energy, momentum and physical awareness specifically related to jazz, tap, ballet and music theatre choreography;• understand the fundamentals of dance-based anatomy, injury prevention and rehabilitation and nutrition and implement safe dance practice principles at all times;								

	<ul style="list-style-type: none"> display a sound comprehension of theory and a consistent maintenance of good technique in all areas of dance studied; devise and maintain an autonomous program of daily practice, to increase flexibility, core strength, dance technique and ease of movement.
Assessment:	<p>Continuous: preparation and participation in classes, demonstrating continuous application to given tasks: (60% total: 35% Jazz, 25% Tap,). Satisfactory participation in Ballet classes is a hurdle requirement</p> <p>Formal: performance of two set tasks in Jazz and Tap the end of semester (15% jazz, 15% tap)</p> <p>Written: the submission in week 13 of a journal summary of personal progress made in Dance 2, based on classroom experiences and self-directed study (500 words) 10% Late submission</p> <p>* Unless an extension has been granted, for essays/assignments submitted after the due date, the mark a student is awarded for their work will be reduced by 10% for each day the work is late. Using electronic submission means work may be submitted on any day.</p> <p>* Unless an extension has been granted, assignments submitted later than 5 working days (or 1 week if due on a weekend) after the due date will not be marked, and will receive no marks.</p> <p>Hurdle requirements</p> <p>Students must attend 80% of all scheduled classes and attempt all elements of assessment to be eligible for a pass in this subject</p>
