Subject Overview:	This subject is an introduction, in English translation, to the most important text of Islam, the Qur'an, which Muslims regard as the primary source of Islam. Students will study: the origins of the Qur'an, its overall structure and content, major themes, approaches to its interpretation, and its function in Muslim religious, social, cultural and political life. The themes and topics covered (such as God, ethics, women, state, inter-faith relations, violence) should assist students in understanding contemporary debates on the relevance of Islam today.
Learning Outcomes:	<p>On successful completion of this subject, students should:</p> <ul style="list-style-type: none"> have a good understanding of the origins of the Qur'an, its overall structure and content, major themes, approaches to its interpretation and its functions in Muslim religious and socio-political life; be able to compare the Quran to other similar scriptural texts of other religions and engage with related Qur'anic discourses from a comparative perspective; be able to critically examine and analyse a range of Qur'anic discourses keeping in mind the diversity of voices within Muslim tradition, and communicate this orally and in writing.
Assessment:	A 1000 word class test due in final day of class (30%) A class presentation, equivalent to 1,000 words due during the teaching period (20%) A 2000 word essay due April 30, 2016 (50%) Hurdle requirement: Class attendance (lecture and tutorial) is required for this subject; if you do not attend a minimum of 75% of classes without an approved exemption you will not be eligible for a pass in this subject. Note: Assessment submitted late without an approved extension will

	be penalised at 10% per day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
