Subject Overview:	The Minor Thesis – Public Administration is a capstone option in the Master of Public Administration. The Melbourne MPA is an interdisciplinary, globally-focused program for managers that work within or with government. This subject provides students with an opportunity to undertake a program of independent research from which they produce a thesis of 10,000 words. The subject is undertaken in one semester and students will be supervised by a member of academic staff.			
Learning Outcomes:	On completion of this subject students will: # be able to demonstrate a specialist understanding of the subject being studied; # be able to show advanced skills of analysis pertinent to the subject; # be able to show a detailed sense of the theoretical debates in the subject area; # be able to demonstrate an ability to undertake critical independent research; # be able to show a good capacity to communicate research in written form.			
Assessment:	Assessment Task 1: A 10,000 word thesis based on the student's individual research (100%) due during week 11 of semester. The following Hurdle Requirementsmust be met in order for			

	students to be eligible to submit the final Thesis: 1. Supervision: Regular supervisory meetings 2. Topic Proposal Form: To be submitted by the first week of the Semester of thesis enrolment 3. Progress Report: To be submitted half way through the semester of thesis enrolment 4. Thesis Draft: A full draft of the thesis is to be submitted approximately 3 weeks prior to the final thesis submission date. Final Theses submitted late without an approved extension will be penalised at 10% per working day.	
Prescribed Texts:	None	
Breadth Options:	This subject is not available as a breadth subject.	
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees	
Generic Skills:	 On completion of this subject students should have: # A critical understanding of the operation of governments in Australia, the Asia-Pacific region and across the world, and an ability to situate an area of specialisation within this context; # A comprehensive understanding and appreciation of the interconnectedness and complexity of the fields of public management and administration, and a specialist understanding of a particular topic in the field; # A sound understanding of politics, economics, law and sciences, as they contribute to theoretical debates in the field of public management; # Flexible communication skills with a highly attuned sensitivity to a diverse audience, and to the issues specific to cross-cultural communication; # To conceptualise, plan and execute a substantial, independent, research-based project in the form of a minor thesis, demonstrating high-level skills in interdisciplinary and comparative research, analysis and critique, underpinned by a thorough understanding of academic protocol and presentation.
