Course Overview:	<p>The graduate diploma is similar to an undergraduate major and offers a comprehensive program of study in geography. The course is suitable for general interest or professional development purposes and does not require a research project or thesis. Graduates are provided with a pathway to higher degree study and may qualify for entry to the postgraduate diploma. The course is designed for graduates who did not major in geography in their degree but now wish to do so, and for professional people who may wish to upgrade their qualifications in the area of geography. The course aims to provide foundational instruction in the areas of physical and human geography.</p> <p>Course coordinator: Dr Rachel Hughes School of Social and Environmental Enquiry Email: hughesr@unimelb.edu.au</p>
