Coordinator:	Mr Michael Green
Subject Overview:	This subject equips students with the drawing skills necessary for the development of a small-scale design and with the graphic skills necessary to illustrate and document the design to a concept design stage. Sketch design skills will be developed through a series of class graphics exercises. These individual skills will be incorporated into a full graphic presentation of a small-scale design.
Assessment:	Practical graphic exercises - the equivalent of five A3 drawings completed during the semester (50%), one major assignment (a design portfolio) due at the end of the semester (50%). Hurdle requirement - to pass the subject students must receive a pass grade in the major assignment.
Prescribed Texts:	None
Recommended Texts:	# Landscape Graphics (G Reid), Watson Guptill Publications, 2002
Breadth Options:	This subject is a level 2 or level 3 subject and is not available to new generation degree students as a breadth option in 2008. This subject or an equivalent will be available as breadth in the future. Breadth subjects are currently being developed and these existing subject details can be used as guide to the type of options that might be available. 2009 subjects to be offered as breadth will be finalised before re-enrolment for 2009 starts in early October.
