Course Overview:	This course has been re-named Bachelor of Forest Science/Bachelor of Science. Please refer to the Bachelor of Forest Science/Bachelor of Science course descriptions.
Objectives:	This course has been re-named Bachelor of Forest Science/Bachelor of Science. Please refer to the Bachelor of Forest Science/Bachelor of Science course objectives.
Course Structure & Available Subjects:	This course has been re-named Bachelor of Forest Science/Bachelor of Science.
Entry Requirements:	This course has been re-named Bachelor of Forest Science/Bachelor of Science. Course phased out from 2008 (Last intake 2007). Entry into undergraduate degrees is usually via applications through the Victorian Tertiary Admissions Centre (VTAC). Full details regarding the VTAC application process may be found on the VTAC website or by purchasing the VTAC Guide from newsagencies.
Core Participation Requirements:	It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. This course requires all students to enrol in subjects where they must actively and safely contribute to field excursions and laboratory activities. Students who feel their disability will impact on meeting this requirement are encouraged to discuss this matter with the Subject Coordinator and Disability Liaison Unit (8344 7068 or DLU-enquiries@unimelb.edu.au).
Further Study:	This course has been re-named Bachelor of Forest Science/Bachelor of Science.
Graduate Attributes:	This course has been re-named Bachelor of Forest Science/Bachelor of Science.
Generic Skills:	This course has been re-named Bachelor of Forest Science/Bachelor of Science.
