

## 429-AA Postgraduate Certificate in Information Systems

<b>Year and Campus:</b>	2008																	
<b>Fees Information:</b>	Subject EFTSL, Level, Discipline & Census Date, <a href="http://enrolment.unimelb.edu.au/fees">http://enrolment.unimelb.edu.au/fees</a>																	
<b>Level:</b>	Graduate/Postgraduate																	
<b>Duration &amp; Credit Points:</b>																		
<b>Contact:</b>	Postgraduate Coordinator Faculty of Science Old Geology Building The University of Melbourne VIC 3010 Australia  Tel: +61 3 8344 6404 Fax: +61 3 8344 5803 Web: <a href="http://www.science.unimelb.edu.au">www.science.unimelb.edu.au</a>																	
<b>Course Overview:</b>	<p>The Postgraduate Certificate in Information Systems is a one semester full-time certificate that is suitable for students who want to update their knowledge of contemporary issues in information systems. The Postgraduate Certificate in Information Systems provides an advanced course of study for students who want to understand information systems from a technological perspective as well as the organisational contexts in which these systems are used to create value.</p> <p>In many cases, a person contemplating a Postgraduate Certificate may have a particular area of interest that they wish to update in their knowledge, in a more systematic and formal way than is possible with normal 'on the job' training and short courses.</p> <p>This course is also available as an exit point qualification for students who have completed four of the core subjects as indicated below as part of 150 point Master of Information Systems.</p>																	
<b>Objectives:</b>	The Postgraduate Certificate in Information Systems is designed to: <ul style="list-style-type: none"> <li># provide a focused course of study in information systems;</li> <li># enable the acquisition of knowledge about contemporary issues in information systems; and</li> <li># encourage the development of the abilities to think critically and independently.</li> </ul>																	
<b>Course Structure &amp; Available Subjects:</b>	Students complete any four of the following core subjects; <ul style="list-style-type: none"> <li># 615-680 Information Technology Infrastructure</li> <li># 615-681 Business Analysis Modelling and Design</li> <li># 615-671 Business Applications and Architectures</li> <li># 615-652 Emerging Technologies and Issues</li> <li># 615-682 IS Project and Change Management</li> <li># 615-683 Impact of Digitisation</li> <li># 615-695 IS Commercial and Professional Practice</li> <li># 615-660 IS Strategy and Governance (Available from 2009 only)</li> </ul>																	
<b>Subject Options:</b>	<table border="1"> <thead> <tr> <th>Subject</th> <th>Study Period Commencement:</th> <th>Credit Points:</th> </tr> </thead> <tbody> <tr> <td>615-680 Information Technology Infrastructure</td> <td>Semester 1, Semester 2</td> <td>12.50</td> </tr> <tr> <td>615-681 Business Analysis Modeling and Design</td> <td>Semester 1, Semester 2</td> <td>12.50</td> </tr> <tr> <td>615-671 Business Applications &amp; Architectures</td> <td>Semester 1</td> <td>12.50</td> </tr> <tr> <td>615-652 Emerging Technologies and Issues</td> <td>Semester 2</td> <td>12.50</td> </tr> </tbody> </table>			Subject	Study Period Commencement:	Credit Points:	615-680 Information Technology Infrastructure	Semester 1, Semester 2	12.50	615-681 Business Analysis Modeling and Design	Semester 1, Semester 2	12.50	615-671 Business Applications & Architectures	Semester 1	12.50	615-652 Emerging Technologies and Issues	Semester 2	12.50
Subject	Study Period Commencement:	Credit Points:																
615-680 Information Technology Infrastructure	Semester 1, Semester 2	12.50																
615-681 Business Analysis Modeling and Design	Semester 1, Semester 2	12.50																
615-671 Business Applications & Architectures	Semester 1	12.50																
615-652 Emerging Technologies and Issues	Semester 2	12.50																

	615-683 Impact of Digitisation	Semester 1, Semester 2	12.50
	615-695 Professional IS Consulting	Semester 1, Semester 2	12.50
	615-660 IS Strategy and Governance	Semester 1	12.50
<b>Entry Requirements:</b>	<p>Applications are invited from students who have:</p> <ul style="list-style-type: none"> <li># an undergraduate degree in any discipline with at least H3 (65%) average in the final year of study and one year documented relevant work experience; or</li> <li># a Graduate Certificate in Information Systems with at least H3 (65%) average in the Graduate Certificate or equivalent</li> </ul>		
<b>Core Participation Requirements:</b>	<p>It is University policy to take all reasonable steps to minimise the impact of disability upon academic study and reasonable steps will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact upon their active and safe participation in a subject are encouraged to discuss this with the relevant subject coordinator and the Disability Liaison Unit.</p>
