<b>Subject Overview:</b>	The professional practice and seminar program provides an integrated focus on the subjects in each semester and addresses the teacher candidates' developing understandings of professional knowledge, professional practice and professional engagement. This subject is the vehicle for practical experience in kindergarten and childcare settings. Teacher candidates are mentored by experienced teachers in collaboration with clinical tutors who are engaged in the on-campus teaching program. The professional practice seminars support teacher candidates' ongoing learning about how theory informs practice. The seminars provide opportunities to examine theoretical frameworks and associated practical tasks that have been assigned during the placement to assist candidates to develop knowledge about contexts, curriculum and relationships in early childhood services. Seminars will involve class presentations, assessment tasks and in-depth reflection on theory and practice in early childhood.
<b>Assessment:</b>	There 2 assessment tasks: Satisfactory teaching performance in the block placement setting (65%); Portfolio of evidence of practice end of semester. (35%) Teacher candidates must pass both components. Teacher candidates must pass both components. There are 2 hurdle requirements: Attendance on all days of placement Attendance at all practicum seminar sessions.
<b>Prescribed Texts:</b>	Collection of readings.
