505-903 Research Project in International Health

Credit Points:	25.000
Level:	Graduate/Postgraduate
Dates & Locations:	2008, This subject commences in the following study period/s: Semester 1, - Taught on campus. Semester 2, - Taught on campus. Supervised Project
Time Commitment:	Contact Hours: Regular meetings with supervisor. International Health research report tutorials (2 hours per month). Total Time Commitment: Total time commitment is expected to average 8 - 10 hours per week.
Prerequisites:	None. This is normally the last subject undertaken in the Master of Public Health.
Corequisites:	None
Recommended Background Knowledge:	None
Non Allowed Subjects:	None
Core Participation Requirements:	For the purposes of considering request for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Student Support and Engagement Policy, academic requirements for this subject are articulated in the Subject Overview, Learning Outcomes, Assessment and Generic Skills sections of this entry. It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact on meeting the requirements of this subject are encouraged to discuss this matter with a Faculty Student Adviser and Student Equity and Disability Support: http://services.unimelb.edu.au/disability
Coordinator:	Australian International Health Inst.
Subject Overview:	To develop and address a research question in an area of International Public Health which can be answered by a critical review of the published and unpublished literature, by the analysis of an existing data set or the development of a research protocol. Supervisors will be health professionals in active practice in international public health.
Assessment:	Initial 15-minute verbal presentation (10%); final 15-minute presentation (20%); written report, of between 5,000-10,000 words (70%). Students must pass the written report assessment and must receive a combined score for the research report and the presentations of at least 50% in order to pass the subject.
Prescribed Texts:	None
Recommended Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	**Level:** 500
