

666-AB Master of Assessment and Evaluation (Stream 100A) Coursework and ThesisA

Year and Campus:	2008																																			
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees																																			
Level:	Graduate/Postgraduate																																			
Duration & Credit Points:																																				
Contact:	Faculty of Education Student Centre																																			
Course Overview:	<p>The Master of Assessment and Evaluation offers a specialist degree catering for the needs of those who want to take a leadership role in the field of assessment and evaluation in a range of settings. Such people are normally employed as policy and program planners, item writers, assessment data analysts, trainers, teachers, performance auditors, managers or consultants. The course aims to produce graduates who are able to manage assessment and evaluation programs at a high level, to make effective use of writing and research in assessment and evaluation, and to develop superior knowledge, understanding and skills in assessment design, development and application as well as evaluation theory and practice. It will encourage critical review of important issues in the conduct of evaluation and assessment, and program implementation. Stream 100A is research-classified. Graduates of Stream 100A may be eligible to apply for entry to the PhD or Doctor of Education programs.</p>																																			
Objectives:	<p>Students who have completed the Master of Assessment and Evaluation course should be able to:</p> <ul style="list-style-type: none"># demonstrate a superior knowledge and understanding of assessment and evaluation theory and practice# demonstrate a high level of competence in the management of assessment and evaluation programs;# make effective use of the assessment and evaluation literature and research;# demonstrate a depth of knowledge and understanding that will enable them to support colleagues regarding assessment and evaluation related professional situations.																																			
Course Structure & Available Subjects:	<p>Students are required to undertake 25 points of coursework from the pool of subjects listed below, and complete 75 points of thesis (Thesis A) of 20,000 words incorporating research methodology studies (100 points in total). Students must publicly present a research paper in the last six months of their candidature.</p>
