Subject Overview:	Development of performance skills and artistry is central to a dancer's development. Across the three years students will work with leading and emerging choreographers on the development and performance of new dance works. Students may also study and perform a range of dance repertoire. This will provide a variety of performance experiences that will extend and enhance the student's skill base and artistic development. In Performance 3B students will work as an ensemble on the development and performance of a graduation season.
Assessment:	Performance assessment based on the quality of performance (60%); participation and contribution to rehearsal process (40%).
