Students who feel their disability may impact on meeting the requirements of this subject are encouraged to discuss this matter with a Faculty Student Adviser and Student Equity and Disability Support: http://services.unimelb.edu.au/disability</p></p>
Subject Overview:	Production Placement 1A is the subject where students are able to put into practice technical and creative knowledge taught formally in the classroom during Semester 1. As part of this subject students will complete a St Johns First Aid Level 2 Certificate. Students are assigned to at least one placement on a production mounted either within and/or beyond the College (this can include attendance at Festivals). The placement introduces the student to the complexity of the production process and the collaborative nature of the work.
Assessment:	Production Placement Supervisor Reports (80%); Presentation of peer and self-assessment reports (10%); participation in Production Placement seminar (10%).It is a requirement of this subject that students attend a weekly production placement seminar with their supervisor and with other students working in the same area. Successful completion of peer and self-assessment reports is a hurdle requirement
