Students who feel their disability may impact on meeting the requirements of this subject are encouraged to discuss this matter with a Faculty Student Adviser and Student Equity and Disability Support: http://services.unimelb.edu.au/disability</p></p>
Subject Overview:	<p>Placement 3 is the subject where creative and technical knowledge and experience gained over the previous two years is tested and consolidated in a practical environment. Students are usually assigned to at least three placements on productions mounted both within and beyond the College. At this stage, a responsibility for peer teaching is expected of the student. Following completion of this subject, students will have developed excellent collaborative, communicative, evaluative and creative skills to a level accepted within industry. It is a requirement of this subject that students attend a weekly production placement seminar with their supervisor and with other students working in the same area. Successful completion of peer and self-assessment reports is a hurdle requirement.</p>
Assessment:	Production Placement supervisor reports (80%); presentation of peer and self-assessment reports (10%); participation in Production Placement seminar (10%).
Prescribed Texts:	None
