Contact:	Paul Monaghan pmonag@unimelb.edu.au
Subject Overview:	This subject explores theatre and performance in which the performer's body is the principle means of expression and communication with an audience. The use of physicality, dynamic immobility, movement, dance, acrobatics and other physical performance strategies will be examined in a broad range of styles including the European and Russian avant-garde theatre, <i>Commedia dell' Arte</i> , circus, sport, mime, dance-theatre and others. Students will also engage with critical theory regarding the body in culture. Physical performance forms will be analysed through lectures, seminars, and audio-visual material.
Objectives:	<p>Students who successfully complete this subject will demonstrate an understanding of the importance of the body in both contemporary and historical theatre and performance, and as both an instrument and a form of knowledge;</p> <p>demonstrate an understanding of the ways in which different uses of the body inform and define different performance forms;</p> <p>be able to analyse physical performance in the appropriate language;</p> <p>be able to articulate in verbal and written form an historical and theoretical understanding of physical theatre forms.</p>
Assessment:	Work equivalent to 4000 words consisting of an essay of 2000 words, 50% (due after the end of semester), a performance analysis of 1250 words 30% (due during semester), and a tutorial presentation equivalent to 750 words 20% (due during semester).
Prescribed Texts:	A subject reader will be available.
