| Subject Overview: | This subject is for students who have satisfactorily completed Arabic 4A or equivalent. It aims to further enhance students' proficiency of Arabic language through reading in modern standard Arabic and understanding and application of grammatical and stylistic rules. Students read and analyse selected texts in modern standard Arabic such as short stories, newspaper articles, novels, plays and poems. This subject will develop students' skills such as proficiency in written structures of sophisticated complexity and the capacity to understand and evaluate specialist and technical language use as well as Arabic grammar. |
| Objectives: | <ul style="list-style-type: none"> # have developed a level of proficiency in written structures of sophisticated complexity and the capacity to command their use freely and confidently; # have developed the capacity to decode and evaluate specialist and technical language use; # have developed an understanding of a variety of issues in modern Arabic literature and literary criticism; # have developed a detailed understanding of the historical, cultural, economic and political factors that have conditioned the emergence of Arabic as an international language; # have acquired an ability to translate texts of medium to high level of difficulty; # be able to critically evaluate complex materials using the categories and concepts of a specialized field of knowledge; # be able to scrutinize errors and inconsistencies in one's own usage to produce sophisticated forms of expression and; # to be able to engage in critical dialogue about complex social, political, cultural and religious issues through the medium of another cultural language. |

| | |
|---|---|
| Assessment: | Continuous homework assessment, best 8 pieces 15% (throughout the semester); an aural/oral examination of 15 mins 15% (during the exam period); and a 3-hour written examination 70% (during the exam period). |
| Prescribed Texts: | Standard Arabic (Dickins and Watson) Cambridge University Press 1999 |
