<b>Subject Overview:</b>	In this subject students will study a selection of novels from the 19th and 20th centuries, analysing their narrative structures, and developing an awareness of their social and political contexts. Various theories of narrative will be used to facilitate an understanding of the evolution of the French novel. At the end of this subject students should be able to analyse the narrative structure of various novels; show a knowledge of the evolution of prose narration in French literature; demonstrate critical awareness of the social, political and ideological context of each novel. The subject will be taught in French.
