Subject Overview:	This subject is for students who have no previous knowledge of the Spanish language. There are four class hours per week, with the oral component fully integrated into all. The teaching of the language and its grammar is reinforced through written exercises and assignments, graded lab work, aural and reading comprehensions, audio-visual work, and work in the multimedia language laboratory. Students will also encounter cultural aspects of the Hispanic world which are regularly presented in the language classes. This subject enables students to interact in Spanish in the present tense in everyday situations.
