Recommended Background Knowledge:	None
Non Allowed Subjects:	None
Core Participation Requirements:	<p><p>For the purposes of considering request for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Student Support and Engagement Policy, academic requirements for this subject are articulated in the Subject Overview, Learning Outcomes, Assessment and Generic Skills sections of this entry.</p> <p>It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact on meeting the requirements of this subject are encouraged to discuss this matter with a Faculty Student Adviser and Student Equity and Disability Support: http://services.unimelb.edu.au/disability</p></p>
Coordinator:	Dr Michael Bernard Coelli
Subject Overview:	This subject examines how labour markets function, the market where employers and workers interact. Topics include labour supply, labour demand, wage determination, education and training, compensating wage differentials, unions and collective bargaining, labour market discrimination, earnings inequality, unemployment and analysis of current labour market policy issues. Data and empirical studies from Australia and other countries will be used to illustrate theoretical work.
Objectives:	.
Assessment:	A 2-hour end-of-semester examination (70%) and assignments not exceeding 30 pages (30%).
Prescribed Texts:	None
Recommended Texts:	Information Not Available
