Entry Requirements:	The Diploma in Arts (Australian Studies) is only available to students who are enrolled in a non-Melbourne Model degree course at the University of Melbourne. Students need to be able to fit a three-year sequence of study alongside their degree to be eligible for the Diploma in Arts.		
Core Participation Requirements:	The Diploma in Arts requires a standard level of ability across all disciplines. It will be assumed students are able to access and attend classes on a regular basis, are capable of learning in a University environment and will be able to take responsibility for their own learning. Any ability beyond this threshold will be robustly supported through the curriculum. There are no pre-requisites for first year subjects, and any intensive use of IT or technologies will be adequately supported. Certain subjects have more specific requirements and demands, such as fieldwork or travelling, which are clearly outlined in the Handbook's subject description. However, the University is dedicated to provide support to those with special requirements. The Faculty Disability Contact Officer works with students, the University Disability Liaison Unit and teaching staff to assist students with their special requirements, with a particular focus on accommodations for in-class and examination assessment tasks. Further details on the disability support scheme can be found at http://www.services.unimelb.edu.au/disability .		
Further Study:	A range of multidisciplinary postgraduate courses are offered to meet the needs of both established professionals and others wishing to pursue further research in the area of Australian studies.
