543-804 Practical Drug Evaluation

Credit Points:	10.00
Level:	9 (Graduate/Postgraduate)
Time Commitment:	Contact Hours: 40 contact hours over 5 days Total Time Commitment: Not available
Prerequisites:	Nil
Corequisites:	None
Recommended Background Knowledge:	None
Non Allowed Subjects:	None
Core Participation Requirements:	For the purposes of considering request for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Student Support and Engagement Policy, academic requirements for this subject are articulated in the Subject Overview, Learning Outcomes, Assessment and Generic Skills sections of this entry. It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact on meeting the requirements of this subject are encouraged to discuss this matter with a Faculty Student Adviser and Student Equity and Disability Support: http://services.unimelb.edu.au/disability
Subject Overview:	To provide an intensive practical workshop on the evaluation of the pharmaceutical chemistry, toxicology and clinical studies of a drug submission. Students are exposed to an actual dossier of primary material submitted to government which encompasses pharmaceutical chemistry, toxicology and human clinical pharmacology and clinical trial data, and the student will be equipped to analyse this material and distil this into an evaluation report in a format similar to that assessed by an independent government evaluation committee.
Assessment:	This subject is marked on a Pass/Fail only basis. 100%: Continuous Assessment during the practical workshop.
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Related Course(s):	Graduate Diploma in Drug Evaluation and Pharmaceutical Sciences
