Coordinator:	Assoc Prof Neil Louis Levy
Contact:	Dr Neil Levy nllevy@unimelb.edu.au
Subject Overview:	The development and increasing prestige of modern medicine continues to generate ethical controversy. This subject will provide a way of making sense of these controversies: it will consider the nature of health, illness and disease, and discuss a number of particular issues, possibly including the status of mental illness, disability, abortion, genetic screening and modification, euthanasia and death.
Objectives:	Students who successfully complete this subject will <ul style="list-style-type: none"> # be familiar with the philosophical debate on selected topics in biomedical ethics; # understand the way in which philosophical reasoning can be applied to controversies in biomedical ethics; # have demonstrated the ability to think and write clearly on selected topics in biomedical ethics.
Assessment:	A written assignment of 2000 words 50% (due mid-semester), a 2-hour written examination 47% (at the end of semester) and tutorial participation 3%.
Prescribed Texts:	A subject reader will be available from the bookshop at the start of semester
Breadth Options:	This subject potentially can be taken as a breadth subject component for the following courses: <ul style="list-style-type: none"> # Bachelor of Biomedicine (https://handbook.unimelb.edu.au/view/2009/J07) # Bachelor of Commerce (https://handbook.unimelb.edu.au/view/2009/F04) # Bachelor of Environments (https://handbook.unimelb.edu.au/view/2009/A04)

	<p># Bachelor of Music (https://handbook.unimelb.edu.au/view/2009/M05)</p> <p># Bachelor of Science (https://handbook.unimelb.edu.au/view/2009/R01)</p> <p># Bachelor of Engineering (https://handbook.unimelb.edu.au/view/2009/355-AA)</p> <p>You should visit learn more about breadth subjects (http://breadth.unimelb.edu.au/breadth/info/index.html) and read the breadth requirements for your degree, and should discuss your choice with your student adviser, before deciding on your subjects.</p>
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<p>Students who successfully complete this subject will</p> <ul style="list-style-type: none"> # develop the ability to analyse and critique arguments; # be able to think and write rigorously, imaginatively and coherently on issues of public controversy; # have an appreciation of the way in which philosophical theory can inform reasoned discussion of matters of ethical importance and public controversy.
Notes:	Previously available as Issues in Biomedical Ethics. Students who have completed Issues in Biomedical Ethics are not eligible to enrol in this subject.
