Duration & Credit Points:																											
Contact:	Education Student Centre Level 2 Alice Hoy Building																										
Course Overview:	<p>The Master of Education (Educational Management) is an 18 month course designed to prepare leaders in educational organisations to work in an international environment in the twenty-first century. The program is designed to fill a need for a specialist qualification for those who aspire to senior positions or seek further advancement in education and training in the public and private sectors. It is intended to be inclusive of those who work in fields variously described as early childhood, school, vocational, adult, further, higher, tertiary, university and in workplace training in other fields. The course aims to provide a blend of practical knowledge, conceptual frameworks and state-of-the-art research, and distinguishes itself from other Australian educational management courses by emphasising a global perspective.</p>																										
Objectives:	<p>Students who have completed the Master of Education (Educational Management) should be able to:</p> <ul style="list-style-type: none"> # demonstrate an advanced knowledge and understanding of current management issues and challenges in relation to education; # demonstrate an in-depth knowledge and understanding of various conceptual frameworks and theoretical perspectives presented in the course; # demonstrate an understanding and application of the latest research findings in the aspects of Educational Management studied; # demonstrate the capacity to understand and analyze advanced case studies of significant problems and issues experienced at senior levels in educational settings; # demonstrate a global perspective in tackling management issues in education; # demonstrate an appreciation of professional responsibilities and ethical principles associated with leading educational organizations. 																										
Course Structure & Available Subjects:	<p>Students are required to undertake 150 points of study, consisting of a core subject of 25 points, 50 points of masters-level coursework and a thesis of 20,000 words with a methodology component (75 points). This is a coursework-classified course. Graduates are eligible to apply for entry to the Doctor of Education program provided they meet the entry requirements. Admission to the PhD course is not normally granted, however special application can be made. Selection for the PhD course is administered through the School of Graduate Research.</p>
