Course Overview:	This course has had no new intake since 2007. Students who commenced the Bachelor of Landscape Architecture prior to 2008 should visit : http://www.abp.unimelb.edu.au/environments-and-design-students/re-enrolment/pre-2008-program.html (http://www.abp.unimelb.edu.au/environments-and-design-students/re-enrolment/pre-2008-program.html) for detailed course information or contact a Student Advisor at the Environments and Design Student Centre.
Objectives:	The course aims to: <ul style="list-style-type: none"> # offer professional studies in landscape architecture leading to accreditation with the Australian Institute of Landscape Architects and thereby with some professional accrediting bodies internationally; # provide students with an understanding of the systems operating both in natural environments and in those environments that, as landscapes, manifest human intervention and culture; # equip graduates with basic skills which will be necessary to enable them, as practising professionals, to intervene positively in the process of change to those landscapes through planning, design and management; # teach landscape architecture as an intellectual and professional endeavour, which embodies, wherever it is practised, a commitment to the continuing health and well-being of the environment and of human life.
Course Structure & Available Subjects:	Course structure and subjects for 2010 can be found at: http://www.abp.unimelb.edu.au/environments-and-design-students/re-enrolment/pre-2008-program.html (http://www.abp.unimelb.edu.au/environments-and-design-students/re-enrolment/pre-2008-program.html)
Entry Requirements:	VCE units 3 and 4 (or equivalent) – a study score of at least 25 in English (any).
Core Participation Requirements:	For the purposes of considering requests for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this subject are articulated in the Subject Description, Subject Objectives, Generic Skills and Assessment Requirements of this entry. The University is dedicated to provide support to those with special requirements. Further details on the disability support scheme can be found at the Disability Liaison Unit website: http://www.services.unimelb.edu.au/disability/
