

## 202AT Master of Commerce

<b>Year and Campus:</b>	2010 - Parkville
<b>Fees Information:</b>	Subject EFTSL, Level, Discipline & Census Date, <a href="http://enrolment.unimelb.edu.au/fees">http://enrolment.unimelb.edu.au/fees</a>
<b>Level:</b>	Research Higher Degree
<b>Duration &amp; Credit Points:</b>	Students are expected to complete this research in 1.50 years full time, or equivalent part time. Credit Points: 100
<b>Coordinator:</b>	Professor Daniel Dufresne
<b>Contact:</b>	Initial enquiries should be directed to the Director and Professor of Actuarial Studies: <a href="mailto:dufresne@unimelb.edu.au">dufresne@unimelb.edu.au</a>
<b>Course Overview:</b>	<p>The degree is designed for students to develop advanced skills in carrying out independent and sustained research. The thesis should demonstrate a critical application of specialist knowledge and make an independent contribution to original research.</p> <p>Supervised research on approved topics may be undertaken on a full-time or part-time basis in the discipline of Actuarial Studies.</p>
<b>Objectives:</b>	<ul style="list-style-type: none"> <li># To provide students with the opportunity to acquire an in-depth knowledge about a particular topic;</li> <li># To provide students with a capacity to read and critically evaluate the scholarly literature in the discipline;</li> <li># To provide students with the capacity to pursue independent research by providing training in research methods;</li> <li># To provide students with an understanding of and commitment to research ethics and high standards of scholarship;</li> <li># To provide students with an opportunity to contribute original research in the field which may lead to publication and to provide students with the on-going capacity to publish independent research findings; and</li> <li># To provide an appropriate foundation for students intending to proceed to a PhD program.</li> </ul>
<b>Course Structure &amp; Available Subjects:</b>	<p><b>Course Requirements</b></p> <p>Candidates will be required to pursue original research on an approved topic for at least one year full-time, or two years part-time. Candidates must consult with the Head of the relevant Department or Centre before lodging their submission for approval of their research project with the Manager (Professional Programs). When a candidate is accepted for the Degree of Master of Commerce by thesis a supervisor is appointed and the candidate should consult with the supervisor regularly.</p> <p>Candidates are required to complete an annual report each year before re-enrolment will be permitted. Candidates are required to present the results of their research in the form of a thesis of about 30,000 words or, on the recommendation of their supervisor, a series of papers.</p> <p>Three copies (typewritten, double-spaced) of the thesis must be submitted and, if passed by the examiners, one will be deposited in the University Library. Theses submitted for examination must be lodged with the Executive Officer (Research and PhD Programs) who will arrange for the appointment of external examiners and the conduct of the examination process.</p> <p>Masters Thesis Guidelines and Codes of Practice can be found at <a href="http://www.ecom.unimelb.edu.au/research/">www.ecom.unimelb.edu.au/research/</a> (<a href="http://www.ecom.unimelb.edu.au/research/">http://www.ecom.unimelb.edu.au/research/</a>)</p>
<b>Entry Requirements:</b>	<p>Admission to Master of Commerce courses normally requires either:</p> <ul style="list-style-type: none"> <li># (a) A four-year honours degree in economics, commerce or related discipline of at least second class honours (H2B 70-74%) standard; or</li> <li># (b) Successful completion of a preliminary course, normally the relevant Postgraduate Diploma, at an overall standard at least equivalent to that required for second class honours.</li> </ul>

<b>Core Participation Requirements:</b>	For the purpose of considering requests for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this course are articulated in the Course Description, Course Objectives and Generic Skills of this entry. The University is dedicated to provide support to those with special requirements. Further details on the disability support scheme can be found at the Disability Liaison Unit website: <a href="http://www.services.unimelb.edu.au/disability/">http://www.services.unimelb.edu.au/disability/</a>
<b>Graduate Attributes:</b>	On successful completion of this course, students should be able to demonstrate the following attributes and skills: Independent research; Critical evaluation; Analysis, interpretation and synthesis of information; Problem solving; Time management, which should be developed by completing a major research project within a limited period of time and maximising the quality of research; and Effective management of information, including the application of computer systems and software where appropriate.
