

## 750AA Doctor of Science

<b>Year and Campus:</b>	2010 - Parkville
<b>Fees Information:</b>	Subject EFTSL, Level, Discipline & Census Date, <a href="http://enrolment.unimelb.edu.au/fees">http://enrolment.unimelb.edu.au/fees</a>
<b>Level:</b>	Research Higher Degree
<b>Duration &amp; Credit Points:</b>	Students are expected to complete this research in .00 years full time, or equivalent part time. Credit Points: 100
<b>Coordinator:</b>	Melbourne Graduate School of Science
<b>Contact:</b>	Faculty of Science The University of Melbourne  Tel: + 61 3 8344 6404 Fax: +61 3 8344 5803 Web: <a href="http://graduate.science.unimelb.edu.au">http://graduate.science.unimelb.edu.au</a>
<b>Course Overview:</b>	<p>A candidate whose work, in the opinion of the examiners includes a substantial, original contribution to Science; and is of such a standard as to give the candidate authoritative standing in the field of the candidate's study; and who has fulfilled the prescribed conditions; may be admitted to the degree of Doctor of Science.</p> <p>A candidate for the degree of Doctor of Science must be a graduate, of not less than five years' standing since qualifying for the degree, who has completed either:</p> <ul style="list-style-type: none"> <li># a Bachelor of Science of the University; or</li> <li># a graduate in some other faculty of the University who satisfies the faculty that he or she has had adequate scientific training; or</li> <li># a graduate of another university or tertiary educational institution who -</li> <li># has been admitted to a degree recognised by the faculty pursuant to Statute 11.1.6 as appropriate for the purposes of this regulation; and</li> <li># satisfies the faculty that he or she has had adequate scientific training; and either:</li> <li># is a member of the academic staff of the University of at least two years' standing; or</li> <li># has had, in the opinion of the faculty, a substantial association with the University.</li> </ul> <p>An applicant for candidature must submit the prescribed number of copies of a thesis, which may consist of published or unpublished work of the applicant.</p> <p>The faculty must appoint a perusal committee to determine whether the subject matter of the work presented falls within the scope of Science and, if so, whether, in general terms, the quality and quantity of the work presented justifies submitting the work to assessment.</p>
<b>Objectives:</b>	Please refer to the course description above.
<b>Course Structure &amp; Available Subjects:</b>	Please refer to the course description above.
<b>Majors/Minors/Specialisations</b>	None
<b>Subject Options:</b>	None
<b>Entry Requirements:</b>	<p>Please also refer to the course description above.</p> <p>Intending candidates for the degree of Doctor of Science submit three soft-bound copies consisting of reprints of publications and/or papers which will make up the thesis. In addition, an introduction to the works being presented for examination should be submitted with a list of contents. Where the candidate has collaborated with others, a signed statement indicating the content of their share in the work must also be included. Candidates should be able to show that they have been responsible for a significant portion of the research work.</p>
<b>Core Participation Requirements:</b>	It is University policy to take all reasonable steps to minimise the impact of disability upon academic study and reasonable steps will be made to enhance a student's participation in the

	University's programs. Students who feel their disability may impact upon their active and safe participation in a subject are encouraged to discuss this with the relevant subject coordinator and the Disability Liaison Unit.
<b>Graduate Attributes:</b>	Please also refer to the course description above.
