<b>Contact:</b>	Dr. Julie Evans <a href="mailto:j.evans@unimelb.edu.au">j.evans@unimelb.edu.au</a>
<b>Subject Overview:</b>	This subject is designed to provide students with hands-on research experience in the context of the everyday operations of a social or criminal justice or community-based agency. The internship takes place over two semesters and constitutes a structured and supervised student research consultancy rather than work experience. It provides students with the opportunity to employ formal research skills such as reviewing literature, collecting and analysing data and writing reports. It also enables students to appreciate the practical applications of criminological or sociological theory. explore the criminological and sociological significance of social categories (such as gender or ethnicity). enhance their skills of listening, observation, and cooperation. and form relevant professional contacts.
<b>Objectives:</b>	<ul style="list-style-type: none"> <li># have an advanced understanding of the relevant knowledge base in the specialist area of the placement agency.</li> <li># have the ability to evaluate and synthesize the research and professional literature in this specialist area.</li> <li># have a developed understanding of skills needed to negotiate a research project in a professional context.</li> <li># have a developing appreciation of how to operate professionally in the workplace.</li> </ul>
<b>Assessment:</b>	An essay of 3000 words (30%) due during the first semester of study, and an agency report of 5000 words, (70%) due end of second semester of study. A 15-minute oral presentation will constitute a hurdle requirement of the assessmen, scheduled during the second semester of study.
<b>Prescribed Texts:</b>	A subject handbook will be available in the first seminar.

<b>Breadth Options:</b>	This subject is not available as a breadth subject.
<b>Fees Information:</b>	Subject EFTSL, Level, Discipline & Census Date, <a href="http://enrolment.unimelb.edu.au/fees">http://enrolment.unimelb.edu.au/fees</a>
<b>Generic Skills:</b>	<ul style="list-style-type: none"> <li># have an advanced understanding of the relevant knowledge base in the specialist area.</li> <li># have the ability to evaluate and synthesise the research and professional literature in the specialist area.</li> <li># have well-developed problem-solving skills in the specialist area.</li> <li># have significant capacity to articulate knowledge and understanding in oral and written presentations.</li> <li># have a capacity to engage where appropriate with issues in contemporary society.</li> </ul>
