<b>Subject Overview:</b>	This subject is the second of two research project subjects taken by students enrolled in the Postgraduate Diploma in Oral and Maxillofacial Surgery. In semester 1, students selected a research topic and completed a literature review. In semester 2, students will continue to provide literature reviews related to seminar topics as well as continuing on with the development of a research project which should be submitted as an assignment for review by the end of the semester.
<b>Objectives:</b>	To develop a research project to be submitted as an assignment for review by the end of the second semester.
<b>Assessment:</b>	Students are required to complete an assignment of approximately 5,000 words detailing their research project. This is worth 100% of the marks for this subject.
<b>Prescribed Texts:</b>	.
<b>Breadth Options:</b>	This subject is not available as a breadth subject.
