Subject Overview:	Four classes a week in both Ballet and Contemporary Dance, and a ninth elective class in either Ballet or Contemporary Dance. Classes in ballet will facilitate mastery of exercises at the barre, in the centre, steps of turning and allegro. In Contemporary Dance classes students consolidate their understanding of the principles of contemporary dance and refine their movement skills as sequences develop in rhythmic and coordinative complexity. Classes in both areas will concentrate on efficient alignment, cardiovascular endurance, coordination, expression and musicality.		
Objectives:	On completion of this subject students should have acquired the following skills: <ul style="list-style-type: none"> • The capacity for kinaesthetic awareness • The ability to move within aesthetic domains • The facility to dance in particular contemporary movement techniques • A facility with ballet technique • The application of theory to practice • The capacity to synthesise data and evaluate information • Capacities of imagination, transformation, and interpretation • The ability to perform 		
Assessment:	Assessment in practical class work is comprehensive and includes assessment for progress, random assessment, self assessment and formal assessment class.
